

HUGHSON

Pneumatic air motors and diaphragm pumps available in various materials

YAMATO

Electric submersible pumps for dewatering and sewage in 50Hz and 60Hz

YAMATO

HERTZ-AIR

Air compressors of various types – piston, rotary screw, breathing, air dryers and receiving tanks

HERTZ
AIR

HM-SAM

Electric water pumps of various types – self priming, booster systems, air/liquid

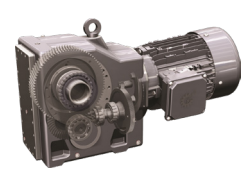

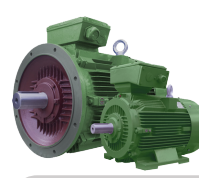

HM-AIR

Pneumatic drum pumps (Aluminum, stainless steel)

HAGEL

Electric motors of various specifications

DIN-FLOW

Horizontal end-suction centrifugal pumps

HALBERG

Vertical inline centrifugal pumps

HORTON

Positive displacement – gear, screw, lobe pumps

MATSUKA

Diesel engine pump

HERTZ**HERTZ**

Your most reliable brand of robust solutions for the marine industry

Electric high pressure cleaners

Pneumatic high pressure cleaners

Pneumatic chemical applicator

Telescopic lance (24 ft)

High pressure pump unit

Pneumatic liquid test pump

Manual high pressure test pump

Ultrasonic cleaners

Pneumatic mucking winch

Hold cleaning tobey gun

Electric winch

Water / Pneumatic gas freeing fan

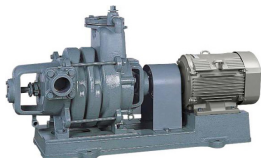

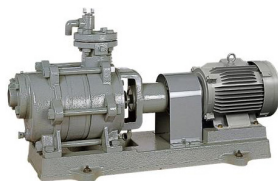

Axial / centrifugal fans

Scalers

KAWAMOTO*Kawamoto*

Authorised dealer of quality pumps from the market leader in Japan
